

Making Financial Services
Intelligent. Flexible. Innovative.

Yobota:

- Was founded in 2016.
- Is a fast-growing **fintech company** based in **London**.

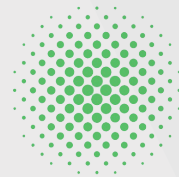

Yobota's team:

- **Super fast** and **cloud-based** platform for financial services providers.
- We automate the complex technical aspects of financial services, leaving businesses free to focus on what makes them unique.

Run the bank

We are the power engine behind Chetwood's brands, running their daily operations.
